**SHADIN AVIONICS NAMES JOHN SKLAROW AS CONFIGURATION  
MANAGEMENT SUPERVISOR**

**St. Louis Park, MN – March 27, 2007** – Shadin Avionics is pleased to announce that John Sklarow has joined their team in the position of Configuration Management Supervisor.

Sklarow will oversee and manage the configuration management team, as well as help to streamline and control all engineering documentation and processes for Shadin Avionics products. Additionally, he will oversee the implementation of the electronic filing system that will be installed over the next several months.

Sklarow holds a M.S. in Computer Science, a M.S. in Applied Mathematics, and a B.A. in Mathematics. Sklarow's background in configuration management comes from companies such as United Defense, Lockheed Martin, Honeywell and Control Data Corporation.

Since 1978, Shadin Avionics has specialized in the design, manufacture, support and distribution of Fuel Flow Systems, Engine Trend Monitoring (ETM), Altitude Management Systems, Air Data Computers (ADC), Converters and other instrumentation for turbine, piston and rotor aircraft for the military, general and corporate aviation markets.
